BLACKHAWK!® OFFERS NEW LEATHER HOLSTERS FOR CONCEALED CARRY

NORFOLK VA – BLACKHAWK! Products Group™, the world leader in manufacturing tactical gear for the military, law enforcement, industrial security and outdoor market introduces 7 (seven) new leather concealment holsters, new leather color options and models for existing leather models for 2010. BLACKHAWK! Leather concealment holsters are now available in classic harness-brown, Italian leather with recessed stitching. The ever-popular [3-slot Leather Pancake Holster](#) with a reinforced thumb-break and covered trigger guard is now available in the new brown leather. Plus, the 3-slot Leather Pancake Holster has added new pistol models; Kahr CW9 and 40, P9 and 40, K9 and 40; the Beretta Storm PX-4, S&W MP 9/40, Compact, .45 and 9/40 Pro; Springfield XD, XD Compact and the XDM to name a few.

The new, brown leather model holsters include the [Inside-the-Pants with Clip Holster](#) with the closest in concealment you can get. The Inside-the-Pants provides deep concealment with a high inner body that protects your shirt or skin from abrasion while protecting the finish of your pistol. Available in both right and left hand for the Colt Gov't 5-inch and Commander 4-inch, GLOCK 17/19/22/23/31/32/36 and the GLOCK 26/27/33, the S&W J-frame, Springfield XD/XDM/XD Comp and the Kahr CW9/CW40/P9/P40/K9/K40 for an MSRP of \$58.99.

The brown leather [Slide with Thumb Break Holster](#) gives you a minimalist profile with the security of a thumb break. The open bottom design makes it an excellent choice for those who carry different length models of the same handgun. Available in both right and left hand for GLOCK Models 9mm/.40/.357/Model 36 and GLOCK 20/21/29/30/37/38/39, Colt Gov't/Comm, Springfield XD/ XDM/XD Comp, SIG P220/225/226 and all models of the S&W MP for an MSRP of \$54.99.

-more-

The classic belt scabbard [Multi-Position Holster](#) in brown leather allows you to wear the handgun either strong side or cross draw. It is an outstanding field holster for a large frame revolver. Available in both right and left hand for the Colt 1911 Gov't 5 inch barrel, the S&W K/L Frame 4-inch barrel, S&W N-Frame Full Lug 4-inch and 6-inch barrel and the Ruger Super Redhawk 7.5-inch barrel with an MSRP of \$82.99.

The [Tuckable Holster](#) completely conceals your pistol without wearing a garment or shirt over it. The clever belt clip goes under your tucked shirts and belt attachment making it so unobtrusive; most people won't ever see it. Rough-side out material provides a non-slip fit. Available in both right and left hand for the 2-inch 5-shot revolver, Colt 1911 Officer's, GLOCK 26/27, GLOCK 19/23/32/36, Kel-Tech/Kahr/Ruger 380's and Kahr CW9/CW40/P9/P40/K9/K40 at an MSRP of \$36.99.

The [Yaqui Slide Holster](#) gives you the least amount of holster for a light, comfortable carry. Open bottom design and an adjustable tension screw allow you to fit the holster to your personal preference for ease-of-draw and pistol length. Available in both right and left hand for GLOCK Models 9mm/.40/.357/Model 36 and GLOCK 20/21/29/30/37/38/39, Colt 1911 and clones, Springfield XD and XDM and SIG P220/225/226/228/229 for an MSRP of \$52.99.

The [Hip Scabbard Holster](#) is a traditional thumb break, brown leather, low ride holster that gives you a comfortable wear in the field, range or on the hunt. Available in right and left hand for S&W K/L Frame 4-inch barrel, Ruger GP-100 4-inch barrel, Colt King Cobra or Python 4-inch barrel, S&W N-Frame Full Lug 4-inch barrel, and the Ruger Redhawk 4-inch barrel for an MSRP of \$62.99.

The [Cutaway Holster](#) combines the security of a thumb break with the rapid draw that the cut-down front of the holster body allows. The widely separated belt slots provide a close fit with a minimum of printing. Available in right and left hand for GLOCK Models 17/22/31 and 19/23/32/36 and 26/27/33, 1911 Gov't, Commander and Officer's Models and the Springfield XD 4-inch and XDM with an MSRP of \$66.99.

BLACKHAWK! also has single and double-stack magazine leather pouches and dual-mag leather pouches with a multi-positional, quick-snap belt attachment and a removable belt-clip that allows you to vary the angle 30 degrees in either direction on the single-mag pouch.
