PRESS RELEASE

BLACKHAWK!® Warrior Wear™ Adds Mid-Layer Fleece and Performance Outerwear to Expanding Line

NORFOLK, VA - BLACKHAWK! Products Group™, the world leader in manufacturing tactical gear for the military, law enforcement, industrial security and outdoor markets expands the Warrior Wear BLACKHAWK! apparel line-up with mid-layer fleece and performance outerwear as an integral part of the Warrior Wear layering system. Designed for maximum comfort, mobility and performance in cool weather, the new Warrior Wear apparel items include the Grid Fleece Series, the Thermo-Fur Jacket, the RAD Series Vests and the Fleece Liner for the popular Shell Jak Series.

The [Grid Fleece Series](#) consists of a jacket, pullover, zip hoody and vest; all ideal layers for wear over the Warrior Wear Thermostatic Base Layer garments. The Grid Fleece Series is designed with a contoured, athletic fit to minimize bulk when layering. The jacket model is Shell Jak Zip-In compatible. Featuring Raglan sleeves for a full range of motion, the Grid Fleece series also has sleeve thumb-holes allowing for easy-on layering or as an additional hand covering. Made with a flat seam construction for a smooth fit with a zippered chest pocket for valuables, the Grid Fleece Series is available in Black and Coyote Brown and in men's sizes Small to 3X. The Vest MSRP is \$59.99, the pullover MSRP is \$69.99, the fleece jacket MSRP is \$74.99 and the zip hoody MSRP is \$79.99.

The [Thermo-Fur Jacket](#) is great everyday wear. The full-zip jacket is made with high-loft fleece that provides excellent insulation, or worn as an outer layer provides a great warmth-to-weight ratio. Made using flat seam construction for a smooth fit, the Thermo-Fur Jacket has raglan sleeves and gusseted underarms allowing for a full range of movement. The high quality YKK zippers are weather-tough. Zippered hand and chest pockets allow for storing of personal items or just keeping hands warm. The Thermo-Fur Jacket has an MSRP of \$84.99 and is available in Black or Coyote Brown in men's sizes Small to 3X.

WW Thermo-Fur Jacket

The [RAD Series Vest](#) is Shell Jak Zip-In compatible, and when worn on its own, this breathable, soft-shell vest blocks out wind while the comfortable fleece lining provides ample warmth. The vest is designed with a lean-cut contour with a draw-cord adjustable waist and a medium height collar to keep body heat in and cold out. Featuring durable YKK zippers and zippered pockets for hands, a zippered pocket on the outside of the chest and an interior pocket, the RAD Series Vest offers warmth, protection, and layering capabilities for an MSRP of \$109.99. Available in Black and Slate Blue and in men's sizes Small to 3X.

WW Thermo-Fur Jacket

The [Fleece Liner for the Warrior Wear Shell Jak](#) is designed to provide insulating comfort for the waterproof/breathable Shell Jak, and can easily and comfortably be worn alone. Featuring contemporary styling with a raised collar to keep warmth in and cold out, the Fleece Liner is made of plush wind-blocking polyester fleece with hand pockets and rugged YKK zippers. Available in Black and men's sizes Small to 3X, the Fleece Liner for the Shell Jak has an MSRP of \$69.99.
